**6th February 2021 Visit to Natures Coir Pvt Ltd,
Periyakulam, Theni**

Report

ACPR aimed to expand the business activities for the selected coconut FPOs by conducting “Two Days Training Programme on Producing and Marketing of Coir Pith” on 05/02/2021. The meeting was organized in Diraviam Arangam at 10.00 am. Totally 6 FPOs were present. Director & group leaders of the FPO’S were the participants. Total number of participants were 30.

On the second day, a hands-on training on producing and marketing was arranged in Natures Coir Private Limited, Periyakulam on **06/02/2021**.

Participants were benefitted by their exposure to a large-scale production of coir pith. They interacted with the production manager to supply their coconut waste to the company. The company demand was in bulk lots as a minimum of 10 tonnes. In this regard farmers were advised to form groups and supply in bulk.

Periodical review was conducted through personal contact with the famers.

Report

Intensive hands-on training was given for expanding their business activities. It was given to the selected members of coconut FPO, Karumathur & Chellampatti FPO by conducting “One Day Training Programme on Producing and Marketing of Coir Pith” on 17/02/2021. The meeting was organized in “Victor Fibbers”

Sholavanthan at 10.00 am. Totally 2 FPOs were present. Director & group leaders of the FPO’S were the participants. Total number of participants were 30.

2 women farmers – Ms. Bharathi and Ms. Thangameena from A. Puthupatti village, Madurai District- have started supplying coconut husk to Victor Coir pith Industry, Sholavanthan. They are the beneficiaries of the training programmes on producing and marketing Coir pith.

Ms. Selvi, a woman farmer from Periyampatti village of Madurai district, has entered into a sub-contract business with the Victor Coir pith Industry, Sholavanthan in the process of producing coco peat. Her responsibility is to reduce the salt content of the coconut fiber and supply to the industry.

Monitoring both Victor Fibers and the farmers is done continuously to ensure supply form each side.
