About Arul Anandar College

Arul Anandar College was founded in 1970 as De La Salle College by the late Most Rev. Dr. Justin Diravium, Catholic Archbishop of Madurai, with pre-university course and undergraduate programme in Economics and in Philosophy. In 1972, it became a Jesuit Institution and it was re-named as Arul Anandar College with many other Arts and Science Programmes having the vision “Integral Development of Rural Students and Empowering them for Social Transformation.” It was the youngest college to reach the status of autonomy in 1987. The NAAC accredited the college at FIVE STAR in 2001, reaccredited (2nd cycle) at ‘A’ grade with a CGPA of 3.52 in 2008, reaccredited (3rd cycle) at ‘A’ grade with a CGPA of 3.66 in 2014 and reaccredited (4th cycle) at ‘A’ grade with a CGPA of 3.15 in 2022.

About Chemistry Department

The Department of Chemistry was established in the year 1971 for intermediate science group. B.Sc. Chemistry Programme was started in the year 1979 under aided stream and M.Sc. Chemistry was started in the year 2017 under self-finance stream. The Department celebrated its Ruby Jubilee in the year 2019, when Arul Anandar College started its Golden Jubilee celebrations. At present, the Department has 10 well experienced, qualified and dedicated faculty members to mentor students and guide them. Outcome Based Education (OBE) is followed for both UG and PG Programmes.

About EFC

The Conference aims at providing platform to students, researchers and academicians to share their knowledge and ideas in their respective fields. Having this objective, the Department of Chemistry of AAC has been organizing the conferences on “Expanding Frontiers in Chemistry (EFC)” every year since 2001 which received overwhelming responses. It is planned to organize EFC 24 as One day National Conference to enlighten students with thrust areas of research by reputed scientists and academicians on inter and multi-disciplinary themes in Chemistry.
