*Emerging Technologies
Focusing on
Food Safety and Security*

13.03.2024

8.30 a.m.

Rev. Fr. Gnanarethnam Hall,
Arul Anandar College.

National Conference on “Emerging Technologies Focusing on Food Safety and Security”

ABOUT THE COLLEGE

Arul Anandar College, a Jesuit Catholic Minority Co-educational Institution affiliated to Madurai Kamaraj University was founded in 1970. The college became autonomous in 1987. The college has 17 Undergraduate, 9 Postgraduate, M.Phil. and Ph.D. academic programmes. The college was reaccredited by NAAC with ‘A’ grade (4th Cycle).

MISSION

- To provide facilities for academic excellence, training in soft and professional skills and placement
- To enable students to become agents of social transformation by imparting skills in research and social analysis
- To build AAC into a policy advocacy centre

ABOUT THE DEPARTMENT

The Department of Food Science and Technology was established in 2012. It was a UGC sponsored innovative program. The Department is offering a three year UG degree program in Food Science and Technology. The curriculum includes the thrust areas of Food Science and Technology. Added to the curriculum students also undergo training at renowned Food industries, attend Seminars, Guest lectures that add value to the course.

ABOUT THE CONFERENCE

The conference is organized by the Department of Food Science and Technology with the objective of bringing professionals of Food Science, Food Technology and Nutrition Science at one platform to exchange thoughts and share ideas. The aim of the conference is to stay up to date on emerging trends and provide a forum for discussion on topics related to Food Safety, Food Security, Sustainable Food Systems and Emerging Technologies to enhance the reliability on the field of Food Processing.

THEMES:

1. Innovations Enhancing Food Security
2. Technologies to Prevent Foodborne Illness
3. Technologies Enhancing Sustainability of Food Systems
4. Role of Artificial Intelligence in Food Research
